

Feedback

Student feedback is taken seriously by all members of CITI staff. Students have opportunities to give feedback both formally as part of module feedback forms, and informally through conversations with staff members or their class representative. Student feedback given through the student representative is heard by the Joint Programmes Committee at their twice-yearly meetings.

Some recent developments within CITI that have been the direct response to feedback, quality processes and the review process include:

- Standardisation of essay deadlines in Residential MTh
- Purchase and utilisation of enhanced scanning system for readability of handouts
- Elective module in School of Religion offered in this handbook
