

Abstract

Title: Lost in Wonder, Love and Praise

A Transformative Liturgical Spirituality for Mission

Author: David White

Liturgy and Mission are both at the heart of how Anglicans order and vitalise ecclesial and spiritual life. This dissertation seeks to explore the development and promotion of a transformative liturgical spirituality and how that may support and renew the missional life of the Church of Ireland. It proposes a reimagining of the Anglican Consultative Council's *Five Marks of Mission*. Particular reference is made to the new affirmation of mission and evangelism *Together Towards Life: Mission and Evangelism in Changing Landscapes* from the Commission of World Mission and Evangelism, of the World Council of Churches, which was unanimously approved by the World Council of Churches' Central Committee held in Crete, Greece, on 5th September 2012 and will be affirmed at the World Council of Churches' 10th Assembly in Busan, Korea, Autumn 2013.
